

Business Beyond Barriers

The B3 Conference + Expo

Featuring

The Supplier of the Year Awards

BEYOND FIFTY

Step into the moment and join us at B3 on June 27th at the SoFi Stadium, a place--

Where visibility and significant exposure showcasing businesses is made possible through event sponsorship, exhibiting at the B3 trade fair, ad purchases, and all pre-and post-event marketing associated with B3;

Where for the purchase of tickets, businesses are privy to meeting a few hundred potential partners; have breakfast and lunch, gain knowledge from our guest keynote and two workshops on trending issues;

Where 'matchmaking' and 'pitch competition' may lead to future contract opportunities;

Where possible, teaming, strategic alliances, and partnering may occur;

Where knowledge is gained through our keynote and workshops relevant to trending issues.
